

Professional DVD's of our 2010 ENSEMBLE are being sold and distributed through the PMTA Scholarship Fund.

10 reasons to purchase a DVD in 2010:

1. Your purchase will enable PMTA to professionally video future concerts as well as contribute to our scholarship fund.
2. You are free to enjoy your child's performance instead of looking through your video camera while they are performing.
3. You won't be disturbing other people in the audience.
4. You won't need to worry about low light in the concert hall or the quality of the audio.
5. The professionally edited DVD will capture all the emotion, excitement and artistry of the performances.
6. Every effort is made to focus individually on EACH student during each group.
7. Each DVD includes custom motion menus so you can jump directly to your child's performance at the click of a button.
8. You will have a keepsake of the concert that also makes a great gift for family and friends who couldn't attend in person.
9. Each copyrighted DVD comes in a full color custom case and will be delivered to your child's teacher approximately 30 days after the concert.
10. At \$28 each, you can save over 20% from last year's cost due to no sales tax or shipping charges*

* you may choose to have it mailed directly to you or another family member for a small \$3.50 shipping charge. Price increases after deadline of April 9, 2010.
