

TEACHER LIBRARY

Our PMTA Library has been downsized because we have no permanent meeting place. Materials available to be checked out at meetings will be kept in the studio of Dorothy Dungan. If you wish to check out an item at a meeting, please notify Dorothy at 602-953-3239 no later than the morning preceding the meeting. Materials are due back every other general meeting, with renewable options. A \$25.00 late fee will be assessed for overdue materials. The donation goes to the scholarship fund.
